Mining for the Future: Technology, Trust and Transformation

**Lima Convention Center | Peru
June 24th - 26th, 2026**

**Opening Ceremony during Inti Raymi
The Festival of the Sun**

Join us in Lima for the World Mining Congress 2026, where the global mining community will come together to reimagine the future of the industry at the intersection of Technology, Trust and Transformation.

Inti Raymi, the ancient Inca Festival of the Sun—symbolizing renewal, light, and life—will serve as our opening scenario as we explore the role of the mining industry in building a resilient and sustainable world.

Pre-Congress Highlights:

- Pilgrimage to 'Machu Picchu' – A journey of connection with the sun.
- Site Visit to Freeport-McMoRan Cerro Verde Mine – Transformation in action.
- Site Visit to Anglo American Quellaveco Mine – Advanced Technology.
- Gastronomic Journey – Peru's finest cuisine infused with solar symbolism.

Post-Congress Highlights:

- Pilgrimage to 'Machu Picchu' – A journey of connection with the sun
- Pilgrimage to 'Chavin de Huantar' – Ancestral Technology
- Site Visit to Antamina Mine – Trust in action
- Gastronomic Journey – Peru's finest cuisine infused with solar symbolism.

Submit abstract

We invite researchers, innovators, industry leaders and change makers to submit cutting-edge work aligned with our core themes offering bold ideas, transformative technologies and practical solutions.

TOPICS ▾

AI & Data-Driven Decision Making

Health, Safety & Well-being

Autonomous Systems & Robotics

Geoscience & Next-Gen Exploration

Critical Minerals, Strategic Materials & Mineral Policy

Mining Science & Innovation

Decarbonization & Low-Carbon Mining

Frontier Mining & New Resource Access

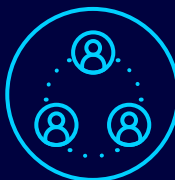

Just Transition in Coal Mining

Process Innovation, Circularity & Recovery

Environmental Stewardship & Nature-Positive Solutions

Social Performance & Indigenous Partnerships

Post-Mining Areas, Reclamation and Revitalisation

Smart Operations & Systems Integration

Future Workforce & Education Innovation

Sustainable Infrastructure & Mine Design

Submit abstract

! Submission Guidelines

- Abstract submission deadline: **August 31st, 2025**
- Abstracts must clearly outline the challenge, innovation and impact.
- Formats include: Papers, oral presentations, posters, short courses and interactive workshops.

WMC 2026 Program Committee

**Doris Hiam-Gálvez**
Chair
Founder/Author“Designing Sustainable Prosperity”, Canada

**Jef Caers**
Professor Earth & Planetary Sciences, Stanford University, USA

**Karen Hanghoj**
Director, British Geological Survey, UK

**Miguel Cardozo**
President & Ceo, CP Group & Alturas Minerals, Peru

**Romulo Mucho**
Former Minister of Energy and Mines of Peru

**Allan Moss**
President, Sonal Mining Technology, Canada

**Nestor Deza**
Technology & Innovation Manager, Antamina, Peru

**David Dreisinger**
CEO, Atlas Materials. Professor at UBC, Canada

**Nicholas Lugansky**
Head of Mining Slb, USA

**Alfonso Muñoz**
Manager/Processing Operations, Chinalco Peru, Peru

**Roberto Valle**
Director Process Improvement, Hatch Ltd, Canada

**Peter Harvey**
Former Managing Director, Closure & Legacy, Rio Tinto, UK

**Carly Leonidas**
Founder & Director, The Intelligent Miner, UK

**Marek Cała**
Chairman of the IOC of the World Mining Congress, Poland

**Jacek Skiba**
Secretary General of the IOC of the WMC, Poland

**Leopold Weber**
First Vice-Chairman of the IOC WMC, Austria

**Hua Guo**
Vice-Chairman of the IOC WMC, Australia

IMPORTANT DATES	DATE
Reception of abstracts	Until August 31st, 2025
Evaluation of abstracts	September 15th, 2025
Notification of confirmation to authors and request for full paper	September 24th, 2025
Reception of full papers	Until November 28th, 2025
Preliminary program announced	December 19th, 2025
Deadline for author registration	December 30th, 2025
Final program announced	April 30th, 2026
Collection of final PPTs and speaker authorizations for dissemination and recording	May 29th, 2026

Let the Sun Rise on a New Era of Mining

Submit your abstract by **August 31st, 2025**
